

DESERET FIRST FEDERAL CREDIT UNION

FUNDS AVAILABILITY DISCLOSURE

(Rev. 6/2025)

Desert First Federal Credit Union's (DFFCU) policy is to generally make funds from your cash and check deposits available to the next business day. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Case-by-Case Delays: In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available up to the fifth business day after the day of your deposit. The first \$275 of your deposits, however, will be available the next business day. If we are not going to make all of the funds from your deposit available immediately, we will notify you at the time you make your deposit or contact you the same business day. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice the day we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

Safeguard Exceptions: Funds you deposit by check may be delayed for a longer period (up to eleven business days) under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6,725 on any one business day.
- You redeposit a check that has been returned unpaid.
- Your account has been repeatedly overdrawn in the last six months.
- There is an emergency, such as failure of computer or communication equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the eleventh business day after the day of your deposit.

New Accounts Availability Special Rules: If you are a new member, the following special rules will apply during the first thirty (30) days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state and local government checks will be available the next business day if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725 will be available on the ninth business day after the day of your deposit. Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.
